[Notes] Games: start times shown in UTC and rounded to the nearest 15 minutes; forfeited games are treated identically to unplayed games (even if they were played). Story: y-axis tracks the match score gap between the teams while also showing in-game evaluations from Lichess's server analysis; x-axis tracks moves played, both axes scaled for consistency and legibility; games ordered from left to right by time of last move, with unplayed games assigned instead by scheduled time, and unplayed pairings without scheduled times shown last. Stats: (F)WD/L (forfeit) wins/losses/draws; Clock: total clock time used; ACPL: team average centipawn loss (adjusted for moves); Inaccuracies/Mistakes/Blunders: % moves of each error type. Also: ranks only shown for the top 10 teams at the start of the round, ignoring tabbreaks; ranks not shown for Round 1.

Magners Carlsberg 3 7 Tilting at Windmills
